Light Therapy. Relief for *Dry Eyes.*

ArunaLight uses advanced red light technology to help improve blood flow and support the natural healing of dry, tired eyes—right from the comfort of home.

DESIGNED
FOR DRY EYES

BENEFITS FOR DRY EYES

SUPPORTS NATURAL TEAR PRODUCTION

Helps support your eyes' natural moisture.

IMPROVES BLOOD FLOW & CIRCULATION

Helps deliver oxygen and nutrients to eye tissues.

HELPS REDUCE INFLAMMATION & IRRITATION

Soothes discomfort and helps reduce eye fatigue.

SOOTHES DISCOMFORT & EYE FATIGUE

Promotes overall eye comfort and wellness.

EASY TO USE

1. Wear the glasses with eyes closed

2. Turn on the device

3. Relax for 3 minutes

4. Use **every other day**

A simple, effective way to **care for your eyes** at home.
